

2007-2008 Charter School Registration Form

Note: This document may also serve as an invoice and receipt

League & Regional Structure

TCSAAL will be divided into 2 age levels making up 2 different leagues for both athletic and academic competitions.

League 1: 6th - 8th grade ---- League 2: 9th - 12th grade

Regional Structure

TCSAAL's goal is to serve all charter schools throughout the state of Texas, however due to the size of the state; athletic leagues will be divided into divisions or regions. A regional activity will be formed when a minimum of 6 teams sign up for the same league and sport in that particular region. (ex. Dallas Region, Houston Region, San Antonio Region)

However, due to the structure of the academic competitions all schools, regardless of regional size, will be able to participate in academic competitions.

It is the goal of TCSAAL to eventually have different level leagues in the same age group, but in this first year due to limited resources and in the spirit of "everybody plays," TCSAAL will allow multiple teams from the same school to enter in the first season. (If you have multiple teams from the same sport and age group add \$200 per each additional team.)
